

Fall 2025

Dear Friends and Neighbors,

Autumn is here, and your Granby Community Fund has begun its annual town-wide appeal for donations. As part of our closely-knit community for nearly 70 years, the Granby Community Fund is unique – it helps our own 501(c)3 agencies and our town organizations through grants made possible by donations from generous residents like you and by businesses.

If you contributed to last year's campaign, we once again thank you! Please consider donating this year. Last year we were thrilled to provide grants of almost \$48,000 to our community! Your donations helped provide services to every segment of our community: to young people through Scouting and the YMCA; to seniors through the Senior Center; to those looking for services through the Red Cross and Granby Social Services; to those wanting or needing fresh produce through Holcomb Farm's Fresh Access; and in other ways to enhance the quality of life for our residents. On the back of this letter, you will find a complete list of our agencies and how they serve our community.

We are a member of the Granby-Simsbury Chamber of Commerce. We again participated in each of the Stony Hill Village Community Serve events, helped with Our Children's Garden in Salmon Brook Park, and partnered to help provide our Granby Ambulance Association with a much-needed Stryker Stair Chair. We are very thankful to be part of a community that supports each other in such meaningful ways! We ask for your contribution again this year so that we can continue to join together in supporting our own community.

Please make your check payable to Granby Community Fund, PO Box 94, Granby, CT 06035. We've included a self-addressed envelope for your convenience. Or, to make donating as easy as possible, simply scan the QR code below with your smartphone, directing you to our secure donation site.

Thanking you in advance.

Sincerely,

Ginger Brezza, President
Granby Community Fund Board of Directors
